Dear Sir:

AMENDMENT

This communication is filed in response to the Official Action in the above-identified application dated March 25, 2005, and having a shortened statutory period for response set to expire on June 25, 2005. Please amend the referenced application as follows:

In the Specification:

A substitute abstract having no more than 150 words is attached.

In the Claims:

Please amend the claims as indicated on the attached document titled "Amendments to Claims."

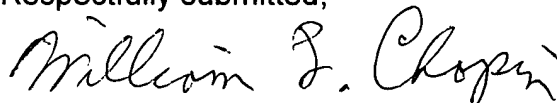

Remarks:

The examiner's indication that Claims 3 and 5-16 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims is noted and appreciated. Claim 1 has been amended to include all of the limitations of Claims 1-3 as originally filed, Claims 2-3 have been canceled, and Claim 4 has been amended to depend from amended Claim 1. Accordingly, amended Claim 1 and Claims 4-16, which depend therefrom, should be in order for allowance. Claim 17 has been added which includes all of the limitations of amended Claim 1, and which recites

1 further structural details of the claimed article. Accordingly, new Claim 17 should also be
2 in order for allowance.

3 In view of the remarks above, it is submitted that Claims 1 and 4-17 are now in
4 order for allowance, and prompt notice of allowance of those claims and advancement of
5 this application to issuance are earnestly solicited.

6 Respectfully submitted,

7
